## PROFILE

Data Analyst skilled in Python, SQL, and Excel, with strong communication skills and fluency in English, Hindi, and Marathi—capable of transforming complex data into clear, actionable insights.

## EDUCATION

B.tech in computer science from Sandip University,  
With CGPA – 8.56

Nashik, Maharashtra  
2022-2026

HSC completed from Lotus Valley School,  
With 76%

Mandsaur, Madhya Pradesh  
2020-2022

SSC completed from Lotus Valley School,  
With 74%

## SKILLS

**Technical:** SQL, Python, Statistics, ETL, Data Visualization, communication skill

**Tools:** Tableau, Power BI, Excel

## EXPERIENCE

Heal Bharat

chtt.Sambhajinagar, India

### Database Management

6-month

- Managed and optimized company databases to ensure data accuracy, consistency, and integrity.
- Developed SQL queries for data extraction, reporting, and performance monitoring.

3 SV Software Solutions

Pune, Maharashtra

### Data Analyst

6-month

- Analysed large datasets to uncover trends and insights using Python, Excel, and SQL.
- Developed interactive dashboards and visual reports in Power BI to support data-driven decision-making.

## PROJECTS

Gamified Learning Platform

- Used Python with Flask for backend development and HTML, CSS, and JavaScript for the frontend interface.
- Integrated a text-to-speech recognition model to support auditory learning.

Stock Market Analysis Dashboard

- Collected and analysed historical stock data to identify trends, volatility, and performance metrics
- Built an interactive stock market analysis dashboard using Python, Excel and Powerbase for data visualization.

Credit Card Analysis

- Performed exploratory data analysis (EDA) on credit card transaction data to uncover customer spending patterns.
- Identified potential fraud indicators and user segmentation for targeted business strategies.

## ACHIEVEMENTS

- Secured 4th place and earned a certificate at the Shegoan Hackathon, demonstrating strong problem-solving and technical skills.
- Completed internships at Heal Bharat and 3 SV Software Solutions, gaining hands-on experience in database management and data analysis.
